LETTERS TO KATY...

DEAR KATY:

How can I be popular with boys? Please help! What can I do? Most of my friends are sort of popular. Many boys like them. Thanks.

LORI

DEAR LORI:

Most of the letters I receive are from girls who want to be more popular with boys. I'm afraid this is a common problem in the early teens because girls mature faster than boys who at this age are probably not even thinking about the opposite sex. You can never **MAKE** anyone like you, but you can win their respect and admiration by being a good friend, a good student and a helpful person. The more helpful you are to your family and friends, and the more involved you are in school and extra-curricular activities, the happier you will feel. You will radiate an inner beauty that everyone (including boys) will find irresistible. But you also need to take care of your outer self. Here are the **KATY KEENE** beauty basics:

1. Keep clean. Bathe or shower everyday. It's also okay to wash your hair everyday even if its oily or dry. Get a good haircut.
2. Make sure your clothes are clean and neat. Even the simplest clothes look good when they're well cared for. Use inexpensive accessories to update last years fashions.
3. Get plenty of rest.
4. Get plenty of exercise. Walk, dance, or ride your bike every day.
5. Eat well. Drink water instead of soda, lots of fresh fruits and vegetables, lean meat (chicken, veal and fish are best), also eat whole wheat bread and other whole grains. Save sugary sweets for special occasions only and whatever you do: **DON'T EAT JUNK FOOD!**
6. Be very careful in the sun. Always use a sunscreen or you'll look like a prune by the time you're 40, and increase your risk of skin cancer.

DEAR KATY:

There's this boy in school that loves me. I love him too. He asked me out a couple of times, but my mother doesn't want me to go out with boys until I'm older. I don't want to say no, but I can't go against my mother. What should I do?

JENNIFER

DEAR JENNIFER:

I'm afraid you'll have to listen to your mother, but that doesn't mean you can't see him. Why not go out in a group? That should make everybody happy. Invite a group of friends to an amusement park, a skating rink, or a picnic. Have your boyfriend invite his friends and you invite yours. So nobody worries, ask some older brothers and sisters or even your parents to go along. I'm sure you'll all have a great time. Make sure your mother meets him so she sees he's a nice guy. Of course you could always meet him after school to study together or go for a walk during lunch hour.

DEAR KATY:

I really enjoy reading about you. I have heard about your fan club. I would love to enter, but I don't have enough money. Will you name some ways I could get money for it? I think you are just marvelous. My twin sister Amy likes you too.

YOUR FAN, EMILY M.

DEAR EMILY:

How about babysitting? You can make advertising flyers for yourself and put them in your neighbors mail-boxes. Or perhaps you can clean house or shop for a sick or elderly person or a mother who needs some help. Good luck!

DEAR KATY:

My last boyfriend dropped me. Six months later, filled with pain, I swore never to hurt someone like he hurt me. Now in my grade at school a very handsome boy named Jeff said he loved me! All the girls at school say 'go for it,' but I am scared I will hurt him. I can't see myself with him other than a friend. Help!

K.E.

DEAR K.E.:

I think you are more afraid that he will hurt you! Unfortunately, everyone experiences pain in love at one time or another, but it passes quickly if you stay busy. Tell Jeff you want to know him as a friend before you become his girlfriend. The best relationships develop over time. If he really loves you, he'll understand.

Hints from Sis-

Hair, Hair, Everywhere. DANDRUFF?

SOUND CRAZY, BUT TRY THIS -

DILUTE REGULAR MOUTHWASH WITH WATER HALF AND HALF. WASH YOUR HAIR WELL. POUR MOUTHWASH MIXTURE OVER HEAD AND MASSAGE WELL INTO SCALP. DO NOT RINSE OUT. DRY AND STYLE YOUR HAIR AS USUAL. IF DANDRUFF IS REALLY BAD OR DOESN'T IMPROVE, SEE YOUR DOCTOR.

ARE YOU A BLONDE WHO WANTS MORE NATURAL HIGHLIGHT?

BREW SOME STRONG CHAMOMILE TEA, LET IT COOL, WASH YOUR HAIR WELL AND POUR THE TEA OVER YOUR HEAD. DO NOT RINSE IT OUT. STYLE HAIR AS USUAL. BRUNETTES SHOULD TRY A RINSE OF ROSEMARY, THE KITCHEN SPICE. JUST STEEP A FEW TBSPS. IN BOILING WATER, LET COOL AND APPLY IT LIKE THE CHAMOMILE.

P.S. HOT CHAMOMILE TEA IS GREAT TO DRINK WHEN YOU HAVE A STOMACH ACHE!

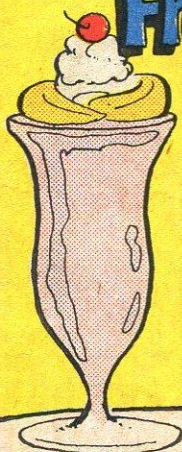

SIS' HAIRSTYLE BY CATHY BRUBAKER, BATON ROUGE, LA.

YOU CAN MAKE A FRIENDSHIP STRING BY USING BEADS, POPCORN, PAPER, SHELLS, OR ANYTHING ELSE YOU LIKE. JUST FIND A NEEDLE AND THREAD AND PUT THEM ALL TOGETHER.
